Sir:

In response to the September 2, 2005 Advisory Action in the above-identified application, applicants submit herewith a Replacement Declaration executed by all of the inventors (Appendix A). The Declaration clearly states that the present invention was carried out in the United States before the effective filing date of March 3, 2000, the filing date of Spahn, U.S. Patent No. 6,237,529. Further applicants have included an extra copy of page 2 of the Invention Disclosure document because it
